

Promotion Specific Terms and Conditions: Cloud Computing Promotion 2025

THESE PROMOTION SPECIFIC TERMS AND CONDITIONS NEED TO BE READ IN CONJUNCTION WITH THE PRODUCT-SPECIFIC TERMS AND CONDITIONS AS WELL AS THE GENERAL TERMS AND CONDITIONS. WHERE ANY DISCREPANCY OCCURS, THE PROVISIONS OF THESE PROMOTION-SPECIFIC TERMS AND CONDITIONS SHALL APPLY.

The Cloud Computing Terms and Conditions pertain to Nymbis Infrastructure and virtual environment and covers Virtual Private Servers, Startup Cloud and the Nymbis Cloud Virtual Data Centre (VDC) and Microsoft licensing.

Description of Promotional Terms:

1. The promotion includes zero billing of used resources within the Cloud Computing environment for a period of 3 months (90 days) from the “effective date” as defined in both the General Terms and conditions and the Product specific Terms and Conditions.
2. “Free Migration” is defined as below and will be limited to up to 30 hours of engineering time, equivalent in value to R50 000.00.
3. Nymbis Cloud Solutions will provide “Free Migration” which is defined as technical advisory and engineering services to ensure frictionless migration to Nymbis Cloud.
 - a. Advisory Services include a discovery phase to establish viable parameters for effective migration of systems and workloads, validate solution architecture and define resource requirements in line with best practices.
 - b. Engineering Services include the management of the migration project, provisioning of the required compute, storage, network and software resources as well as the managed transfer of system data.
4. Multi-cloud interoperability with Microsoft Azure and or AWS will be defined during the discovery phase.
5. Training will be provided for the self-management of the Nymbis Cloud environment, post migration to ensure proficiency in administration, this is included in the 30 hours of engineering time provided.
6. The above services exclude refactoring or re-architecting the incumbent application stack. This can be reviewed post initial migration and onboarding.
